

## WHY ARE WOMEN LESS POPULIST?

From recent empirical studies on European countries it appears that women are more likely than men to abstain from voting but, conditional on voting, are less likely to vote populist. The workshop explores these and other related aspects of the role of populism for gender studies or the role of gender in populism studies

**6 DECEMBER 2019**

**12:00PM**

Bocconi University  
Room 3 e4 sr03  
via Röntgen 1, Milano
